

Architectural drawing of a building's floor plan showing room layouts, room numbers (130-151), and plumbing fixtures. The drawing includes a legend for room numbers and a detailed plumbing system with pipes, valves, and equipment like water heaters and pumps. Room numbers are placed in the center of each room. The plumbing system is shown with lines representing pipes, circles representing valves or fixtures, and text labels for equipment and flow rates. The drawing is a technical architectural plan.
