Ved. projektant Ing. Milan Špulák

The diagram shows a mechanical assembly with four parts labeled A, B, C, and D. Part A is a vertical rectangular block at the bottom right. Part B is a long horizontal rectangular block on the left, with a small rectangular protrusion on its top surface. Part C is a rectangular block on top of part B, containing a hatched rectangular feature. Part D is a rectangular block on the right, partially overlapping part C. The assembly is shown in a perspective view.
